

Memorial Book

In Loving Memory of

Christopher Neil Thomas

(September 12, 1989 - November 19, 2005)

"I thought of you with love today, but that is nothing new, I thought about you yesterday and days before that too. I think of you in silence, I often speak your name, All I have are memories and your picture in a frame. Your memory is my keepsake, with which I'll never part. God has you in His keeping, I have you in my heart."

This memorial website was created to remember our dearest son

Christopher Neil Thomas(Big Thomas)

who was born in Tupelo, Mississippi on September 12, 1989 the happiest day of my life....But on November 19, 2005 a parents worse nightmare came true for me. Is a day that will forever haunt me and the worst day of my life. Its the day

a wonderful person was taken from us all. Not a day or minute goes by that I don't think of my wonderful son who I only had for 16 yrs. and I wouldn't change those 16 years for anything. It is better to have had that 16 years and to hurt like I do than to have never had it at all. No one knows why but will forever wonder what happened that day on that stretch of highway and why he was taken. Christopher was a wonderful son, grandson, cousin, friend to everyone. He never met a stranger and would help anyone. He loved his family, church, his friends, football and his last love the Okolona Fire Dept. Those guys are simply the best anyone could ask for. Christopher had such a way about him that no one can touch or tarnish. I always new he was special but the after effects of this has been just overwhelming to me. I never knew one person so young could affect so many people from so many places. That shows me that he was indeed an angel while he was here with us and now a true angel with wings of gold just like his heart. I will forver miss him and long to see him and hear that silly laugh of his that would make anyone smile. And lets don't forget when he would say "raise your hand before you talk to grown folks"

I love you son and just keep up that good angel work that I know you have mastered. After all you mastered that while you were here so that job must be easy for you. I love you.

Mama

A new cross goes up.

It unbelievable that I acually have a cap and gown picture. The first year they ever did cap and gown but if they had not i would forever be cheated out of a cap and gown picture. Thanks Nettleton

NOTICE***** NOW YOU CAN BE SENT AN EMAIL ANYTIME I UPDATE THIS SITE. At the top of the page there are some gold icons. One of them is for updates.

Thanks,

PATSY

Your smile will forever be in my heart and mind to remind me of the so very special person you were and will always bring a smile to my face just thinking of you, even though my heart is still breaking each and everyday that you are not here. You did have a heart of gold and was an angel on earth and I now really believe that to be true.

I LOVE YOU

Don't know about this look

Melanie and Christopher

So sweet and precious!

heywhat are you doing!

Very few of us together!!!!

Brother when you weep for me

Remember that it was meant to be

Lay me down and when you leave
Remember I'll be at your sleeve
In every dark and choking hall
I'll be there as you slowly crawl
On every roof in driving snow
I'll hold your coat and you will know
In cellars hot with searing heat
At windows where a gate you meet
In closets where young children hide
You know I'll be there at your side
The House from which I now respond
Is overstaffed with heroes gone
Men who answered one last bell
Did the job and did it well
As firemen we understand
That death's a card dealt in our hand
A card we hope we never play
But one we hold there anyway
That card is something we ignore
As we crawl across a weakened floor

For we know that we're the only prayer

For anyone that might be there

So remember as you wipe your tears

The joy I knew throughout the years

As I did the job I loved to do

I pray that thought will see you through.

Always Remember

**I'd give anything just to be the tin man
And I wouldn't have a heart and I wouldn't need a soul
you could hurt me all you want. and I wouldnt feel a thing
If I didn't have a heart, I wouldn't miss you so much
But I do so much**

I LOVE YOU AND MISS YOU!!!!!!

Sending you my love

Mama

A rose for you.

I love you forever!!!!!!!!!!!!!!

I would just like to say that I am so honored and touched that my son is still touching lives a year later. I knew he was special but not in my wildest dreams would I have thought he would make such an impact on so many.

This is truly amazing to me and as he was special to me and my world I am honored to share him. I hope all enjoy this site and remember such a wonderful angel he was on earth as he is in heaven now. I couldn't have a better angel watching over me because I wouldn't have made it this far without him. And God.

I love you Christopher forever and never forget!!!!!!!!!!!!!!!!!!!!!! you have my heart with you so take care of it for

me.

Mama

Hey Christopher,

Well another school year is about to begin and its you senior year. Its gonna be a tough one for me but I'll get through it just like the rest. Elyse had a special shirt made for her senior year. I think you would like it. Remember to watch over all of us and especially me. Keep my heart safe for I don't need it long as you are not here. I love you forever!

Love,

Mama

The Nettleton Tigers has to be the best football team in the world. The tribute they gave Christopher was the best. I've never been so touched by what the team and all of Nettleton has done. They are very special.

My vow

December 5, 2006

I can't remember how I found out about this site but it is truly amazing what your child meant to to so many people. As a coach myself, I was pullin for those Tigers and your son to win State!!!! He will live in the hearts of many forever and may God bless you and your family. As I look at this site it reminds me of how coaches and players can take each practice or game for granted....For you and your son, I vow to never let that happen again! I will give my best effort each day because it very well could be my last to do the job that I love!!!

Losing a big football player

November 30, 2006

Dear Thomas family,

I read the story of your son in the Clarion Ledger today. I was touched and saddened for your loss. In the

trophy case at Parklane Academy in McComb is my brother's jersey. He was "Big Ern" to us and we still miss him. That has been 30 years ago. The long road ahead for you is tough, but God will help you make it. I will remember your son and you in prayer. The team is honoring your wish for success, but it is really honoring your great son and the impact he made in such a short lived life. As a parent your son has made you proud and honored and that speaks a lot about what good parents you have been. You shall see him again.

God bless you.

Just another mom

November 18, 2006

If words existed that you stop the pain or ease the disbelief, I would bottle those words and send them via express mail to every bereaved parent. What a handsome young man Cristopher was and will always be. Never, ever let those memories die. With the holidays so close, each day can be a stressful reminder of the empty chair and the boy who can no longer answer when we, as parents call. Maybe tomorrow will be better, and honestly, some days are better than others. Your son died four months to the day that our son

was buried. Andrew died of head injuries sustained in a two car automobile accident. He loved sports as well, but his dream was to play pro baseball. I believe that he would have made it...had he only lived.

You are all in my thoughts and prayers. Please visit Andrew's site at andrew-collins.last-memories.com. In addition, feel free to e-mail via the web site. If not, happy holidays. Our boys are whole again and living with the master.

Your Great Son

October 23, 2006

You know that you had a great son, nobody has to tell you that. But just so that you never forget he was special to everyone who knew him. I want you to know that I will never forget Christopher and what he meant to me and Cody. You are always in our prayers and thoughts. I know you are going to be facing some hard months ahead, please keep in mind that you have people out here that care about you and will be there for you. The main thing to remember is to turn to God for comfort, Christopher did! Thanks for giving this hard world a great big gift full of love. He will never be forgotten. With love, Kristy

Your Friend

May 25, 2006

I never really know what to say that could help you both through this awful part of your lives. Just please remember that I love you both with all my heart. I can't bring Christopher back, but I can share my girls with you. They can never take his place, no one can, but maybe they can help to fill the void. They both love Christopher. I keep remembering how we used to joke about being in-laws one day...A lot of dreams died that day. I love you both. Debbie

Memories

all the gray you turned into colors...

Madison Michelle Trest

I REMEMBER ONE TIME WE WERE LEAVING THE FOOTBALL FIELD AND ASHLEY AND CHRISTOPHER RAN TO BUG AND SAID I AM THIRSTY AND BUG SAID IM BUG NICE TO MEET YOU THIRSTY.

madison michelle trest

I remember one night he was doing some move on my little brother and he dropped kobbe and broke his nose. And pasty gave christopher a look and he went to his room.

Jennifer Minor

I remember sittin up late at night on the phone with Chris and my boyfriend, Jimmy. Chris was 17 days older than me and ALWAYS rubbed it in my face. Everytime I tried to say something one night on the phone, Chris would tell me to raise my hand to my elders.. I just cant forget that.. Little did I know that two days later, I would be getting a call that Chris was in an accident..

Love you Bubbah

AMY KENT

I ONLY KNEW CHRIS AS A SUBSTITUTE TEACHER, BUT HE IS ONE THAT I WILL NEVER FORGET. HE WAS A GREAT STUDENT AND I CAN HONESTLY SAY THAT I LOVED HIM AND REALLY CARED FOR HIM AS A STUDENT. TODAY THE GAME FOR STATE CHAMPS IS ABOUT TO START AND EVERY PLAY WILL BE FOR YOU CHRIS, REALLY MISS YOU AT SCHOOL.

matt red

I remember one night after hanging out at the fire dept. Chris and I went out in the silver ford of his parents, and we had both got in a conversation about Ladder 49. He showed me how caring he was when he told me that no matter how bad it got he wouldn't ever leave anyone in a burning building. From that moment on i knew if he was at a fire he was going to be one of my first choices to go in with me. Even though he been on long at the time with his size he couldve moved walls and i knew if i was ever in trouble chris would be able to help me out. I know he was there for me whenever i got in trouble with the real world like that time we all ran through a fence. Chris was the type of person that when you saw him he lit up your day.

Kristy Scruggs

My memories of Christophe is those of what a caring person he was. My son Cody was always getting into something. I can remember when they were in middle school we went to Jackson on a field trip and Christopher kept up with Cody and let me tell you that was no easy task. Christopher was always there for Cody. Last year when Cody joined the football team Christopher was once again there for Cody. He never let Cody down. We love and miss him very much. We know that in some way he is still around watching over all of us.

Rebecca (Walls) Camp

Christopher was one of my very best friends. In fact I think I can honestly say he was my best friend. I told him stuff that I did not tell anyone else and will never tell anyone else. He used to pick on me so much because I am so short and in school while I was walking down the hall he would lift my backpack off my back just a little and jog down the hall with me. Then of course there is the baby calf story but Mrs.Patsy (GORGEOUS) has already wrote about that. Oh and one night me, christopher,melanie,and aaron were all sitting in the hut down at the camper. Christopher started rocking really hard in the recliner and then the recliner flipped backwards and we all busted out laughing. It was so funny because he could not get up. Christopher was a very special person and he meant a lot to me and my whole family. I miss him everyday...he was my big teddy bear. Oh, him and his dad also started calling me blue eyes...they called me

that all the time...but anyways!! To you Christopher!!! I love you!

Melanie Wise

I remeber one night when we were trying to go to sleep and he had the radio on. "If Tomorrow Never Comes" by Garth Brookes came on and both of us were real quite. At the end of the song Garth says, " So tell that someone that you love, just what you're think of. If tomorrow never comes." He looked at me and said, "Melanie, you know I love you right?" and I said, " Yeah. You know I love you don't you?" and he just smiled and said,"Yeah." We both went sound asleep. I will never forget that night. And I wish I could tell him how much I love him again. Love you always. Melanie aka Squanch

Shelia Boland

I remember seeing Christopher at the ballgames! It was evident he loved it by the way he played the game. Especially remember the game against South Pontotoc when some of the younger players were dancing around and acting silly and we were getting beat and Christopher walked up and popped one of them on the helmet telling him to quit goofing off. He was dedicated to the Nettleton Tigers and they weren't showing respect as far as he was concerned. I can't think of Chris and not have tears well up in my eyes. Jami always said that he was a very good person and never got into any trouble. I never saw anything but respect for others from Chris.

Patsy, my heart will always remember sitting at the games at the top of the bleachers with you and how excited we would get about those ballgames. I hope that we can get through this year and get what Christopher wanted so badly. A Championship.

I will always and forever remember Big Christopher Thomas with the fondest of memories and when I think of him will send up a little prayer that your heart will heal from your loss.

I think that these boys playing now all feel Christopher's presence out on that field with them every single play and every single point scored. I feel honored to have known such a fine young man even if it was for a short period of time.

Patsy

I remember one time at the camper I looked out the window of the camper and there was Christopher across the pool with a calf in the back of his truck. Yes I said calf. He was so proud of himself. He thought the calf was lost and wanted to help it find his mother. He had such a big smile on his face when he drove up with that calf in the truck.....Like I said he wanted to help anyone even a calf in the pasture.

I love you son..... I miss you so much.

Love always.

Mama

Christopher Thomas

Christopher Thomas

Christopher was a very loving young man. He played football, and was working on being a volunteer fireman. He wanted to help anybody that he could in any way he could.

Life Story

every hour, every thought, every smile...

September 12, 1989

Christopher was born in Tupelo, Ms on September 12, 1989, and was an only child. He weighed only 5lbs 10oz at birth, and at the time he became an angel he was 6'3" and 315 lbs. He lived his entire life in Okolona, MS. He went to school in Nettleton, Ms starting in the 3rd grade. He joined the band in the 6th grade playing the clarinet for 3 yrs. He received the best woodwind award in the 7th grade. He received numerous awards through out school; some including, Best Sportsmanship, academic awards, Principal awards, and honor roll awards. He played t-ball, coach's pitch, and fastball in Okolona, Ms.

He played 1-year baseball in Nettleton in Jr. High. He started playing pee wee football for a tupelo league and played all the games in Fulton, Ms. when he started the 7th grade in Nettleton he played football on the Jr.

High team. He started playing for the High School team when entering the 9th grade and played every Friday night. His number is 74 and will be retired for the final 2 years he would have played for Nettleton.

He also played for the JV team during the week as well. He lettered in the 9th grade. He played the entire season in the 10th grade and went to the second round playoffs, first time for Nettleton in their current district. He was at school all that last week on crutches but managed to play the first half of the game even though he was hurt. He felt he had to play so he would not let his teammates down. Unfortunately he was killed the day after his last game. The Nettleton High School Football Team served as honorary pallbearers and wore the jerseys that Christopher played his last game in. They all signed the jersey and presented it to me at the funeral. That was a very special tribute to Christopher. In his spare time he enjoyed hunting and hanging out with his friends and staying at the Okolona Fire Department. Every change he got, you would find him at the Fire Department. He loved the Fire Department and was an explorer, which is the first step to being a Volunteer Fireman. The Fire Department gave him a Fireman's Funeral and retired his number, which are 957.

Christopher's last ride was atop the Okolona Fire Truck down Main Street Okolona. He would have been proud of those guys. His goal in life was to help people any way he could. He was taken from us all too soon. I will always miss my son and wish he was here but I know I have the best angel watching over me. You have my heart Christopher so take care of it for me.

November 19, 2005

Became an angel on **November 19, 2005** at the age of **16** as the result of a one car accident. No-one but Christopher knows what happened. He was our Angel for 16yrs and now he is our Angel in heaven waiting on us. I love you Christopher and miss you so much.
